ADSP017-181046	Ferguson Enterprises Inc.	August 24, 2017

Description:

To provide HVAC Parts, Supplies, and units for all buildings that have an ongoing need for a variety of HVAC Parts and Supplies, to keep the equipment at a facility in proper working order.

Contract set is to facilitate the purchase of HVAC Parts and Supplies Statewide within a 24-48-hour turn-around, unless otherwise agreed upon by both parties, to Eligible Agencies or Co-ops. No additional charge will be applied to the Eligible Agencies or Co-ops for 2-day delivery of parts and supplies.

This contract set is not for the replacement or purchase of HVAC systems requiring construction services and architectural or structural planning and would apply to field replacement opportunities that would require only technical labor to complete the install for such items as package units, split systems, small boilers, small cooling towers, heat pumps, and water source heat pumps and would be inclusive of factory warranty parts.

Brief Summary of Results:

Solicitation was developed to meet the need to have the ability to purchase any items for HVAC systems, as stated in description. 25% discounts were the goal and an average of 25% to 67% was provided from selected vendors.
